What is *The People's Potluck Picnic Performance?*

Imagine a potluck unlike any other...

As creative members of this community we invite
you to participate in making a food and art sharing
event where the dinner is the performance! You can
join a team that will be responsible for creating the
atmosphere of the event. Teams will prepare for the
event during the *Preparation Workshops* which will
occur during the week prior to the event.

Teams:

Art Deco Team- with Artist Maggie Winston

Music Making Team- with Musician Laura Barron

Serving Team- with Choreographer Natalie Gan

Storytelling Team- with Maggie Winston

You can invite family, friends, neighbors to attend the
free potluck and experience the feast that was
artfully created during the week of preparation.

Together we will enjoy a shared experience
celebrating each other and our community!
